New Star Home Improvement offers multiple services like concrete, cleaning, painting, siding, fencing, backfill and sheetrock.

ABOUT

New Star Home Improvement is a Wichita based company dedicated and responsible. With more than 27 years of experience in residential and commercial remodeling.

Victor Galindo, New Star Home Improvement's owner and founder, started to work for several companies getting wide experience in commercial and residential remodeling during 26 years. In 2014 Victor decided created his first company called BG Concrete.

During that time, satisfied customers ask Victor for other kind of work that he can offer for them. Due to demand he started to offer remodeling work.

In 2016, New Star Home Improvement born offering concrete and remodeling services.

Actually, New Star Home Improvement offer Cleaning Service.
